OBBA SUPA: TO: AM - FREE: AM (CD, ALBUM)

The diabolical rhyme dynamics of Teknical Developments lyrics paired with beats cloaked in a blue cheese fog of THTC from Hey!zeus dwell and celebrate in the time of A.M. A time which reveals the full existence of the human cypher in its entirety, From the crooked corrupt cloaked by its shadows to the optimism of dreams and a new days break.

TO:AM is a dedication to the time

FREE:AM is an experiment in the freedoms of the infant hours

Two separate organism from the same body of concept naturally evolved from late night studio sessions all past the hour of midnight.
